

We Found Our Clients Over **\$2.2 Million** in Just Two Years.

Our firm takes pride in the quality of work, level of detail and expertise that we bring to our clients.

Through the detailed work that we perform on audits, which includes examining numerous Association documents such as bank statements, paid invoices and contracts, we often identify duplicate payments, overpayments, payments submitted for other associations and over payments of taxes. This has saved our clients millions of dollars!

HOW MUCH HAS YOUR AUDITOR **SAVED** YOUR ASSOCIATION?

To quantify how much we have saved our clients, we began keeping a schedule of savings we found starting July 1, 2018. In just two years, through June 30, 2020, the total savings exceeded \$2.2 million.

While we cannot guarantee that we will find savings for every client, the audit and tax procedures we have designed and perform for each audit and tax return have demonstrated the benefit our work provides to our clients.
